

Accessibility Statement

Bullock Inclusion CIC

Last updated: 12/05/2026

Our Commitment

Bullock Inclusion CIC is committed to ensuring our website is accessible to everyone, regardless of disability or assistive technology use. We believe accessibility is integral to our mission of inclusive design and we work continuously to remove barriers that may prevent people from accessing our site.

Website Scope

This accessibility statement applies to:

- Information about past events and runway shows
 - Ticket purchasing for upcoming events
 - Team member profiles and information
 - Sponsor and brand directory
 - Model, sponsor, and brand application forms
 - General website navigation and content
-

What We've Done

We strive to comply with the Web Content Accessibility Guidelines (WCAG) 2.1 Level AA standard. Our accessibility measures include:

Visual Access

- Appropriate font sizes and colour contrast ratios to support readability
- Descriptive alt text for all non-decorative images
- Clear visual hierarchy and logical page structure
- Responsive design that works across devices and screen sizes

Navigation & Interaction

- Full keyboard navigation without requiring a mouse
- Clear focus indicators for keyboard users
- Logical tab order through interactive elements
- Accessible forms with clearly labelled fields

Content & Structure

- Proper heading hierarchy (H1, H2, H3) for screen reader users
- Semantic HTML to support assistive technology
- Accessible PDF documents (where used)
- Clear, plain language where possible

Accessibility Widget

- On-site accessibility adjustment tool (ADA Accessibility WCAG by AP)
 - User-customisable text size, contrast, and font options
 - Additional accessibility features accessible via the widget icon on our site
-

Known Limitations

We regularly audit our website using automated accessibility scanning tools. As of the most recent audit, we've resolved all identified accessibility issues (including colour contrast adjustments) and are not currently aware of significant barriers to accessing our site. However, we welcome user feedback to ensure continuous improvement.

Testing & Ongoing Improvement

We regularly scan our website using automated accessibility tools (ADA Accessibility WCAG by AP) to identify and resolve accessibility issues. Additionally, we welcome real-world feedback from users to ensure we're meeting accessibility needs effectively.

Accessibility is an ongoing commitment, not a one-time project. We review and update our website regularly to maintain and improve accessibility standards.

How to Report Accessibility Issues

If you experience difficulty accessing any part of our website, or believe we're not meeting accessibility standards, please contact us:

Contact: Bullock Inclusion
Email: bullockinclusion@gmail.com

When reporting an issue, please include:

- Which page or feature you were trying to access
- What device or assistive technology you were using
- A description of the barrier you encountered
- Suggestions for improvement (if you have them)

We aim to respond to accessibility concerns promptly and work with you to find a solution.

Additional Resources

If you use assistive technology and need support, the following resources may help:

- **Screen Readers:** [NVDA](#) (free) | [JAWS](#) (commercial)
 - **Browser Extensions:** Many browsers offer accessibility extensions to adjust text size, colour, and spacing
 - **Device Settings:** Most devices (mobile, tablet, desktop) have built-in accessibility settings
 - **UK Guidance:** [GOV.UK accessibility guidelines](#)
-

Legal Framework

This website aims to comply with:

- **Web Content Accessibility Guidelines (WCAG) 2.1** – Level AA standard
 - **UK Equality Act 2010** – which requires reasonable adjustments for disabled people
 - **Public Sector Bodies Accessibility Regulations 2018** (where applicable)
